Description

All our BROLITE real Bakelite pieces are based on original designs from early to mid-20th century and unusually, all our door knobs & handles are interchangeable on all of our Bakelite back-plates. A luxury which gives a huge number of combinations to choose from. If you are unable to see the combination you are after, you can order the parts individually to make up your desired set.

A pair of vintage-style real Bakelite plain ball-shaped Door Knobs complete with Art Deco back-plates. Complete with 5/16" spindle so it should fit some old locks as well as new ones. Grub screws and wood screws are also supplied. The back plate is No 6095 and the knob is No 6122 these parts can be purchased separately if required.

Available in Walnut or Black.

Pairs of handles or knobs are complete with a 5/16" (7.9mm) square spindle so they should fit some old locks as well as new ones. You may have a 7.6mm spindle in the old lock, in which case the square hole in the lock can be filed out to 7.9mm with a sharp square file. The necessary slotted grub screws for the spindle and slotted wood screws for the plates are also supplied.

Measurements:

Knob: 48mm diameter

Back-plate: 209mm x 62mm
