Description

All our BROLITE real Bakelite pieces are based on original designs from early to mid-20th century and unusually, all our door knobs & handles are interchangeable on all of our Bakelite back-plates. A luxury which gives a huge number of combinations to choose from. If you are unable to see the combination you are after, you can order the parts individually to make up your desired set.

Here we show a vintage-style real Bakelite plain round door knob expertly modelled on the original early 20th century one. It has the 'rib' that runs round the knob and this enhances the beautiful authentic look.

To be used with our backplates or any that have a collar size of 23mm. Available in Black and Walnut.

Measurements:

Knob diameter: 50mm
